PGA BENEFITS

Demand is high for talented professionals. PGA understands that it takes a special company to attract top candidates. Our staff enjoy a fun and supportive work environment with colleagues that are equally committed to delivering premier work.

Our competitive benefits program includes:

- 28 Days of PTO
- Company-sponsored events
- 100% paid base insurance premiums
- Savings (401k, HSA, and 529 plans)
- Cell phone allowance
- Bonuses
- Tuition reimbursement
- Professional development
- Flexible teleworking policy

“

The best part of being an engineer is coming up with creative solutions for your clients...it's that creativity that separates us from our competition, as well as the drive we have as engineers, putting together a set of plans and helping improve the lives of citizens of the communities we live in.”

Hiren Patel, PE

President and
Co-Founder PGA

OTHER GREAT REASONS TO JOIN THE PGA TEAM

- Competitive salaries
- Unlimited career growth potential
- Open-door policy with company leadership
- Mentorship and leadership training programs
